Mr. Ernest Chinchilla
EAGLE TRAFFIC CONTROL SYSTEMS.
8004 Cameron Road
Austin, TX. 78754-3899

Dear Mr. Chinchilla:

This letter is in reference to Eagle's submittal of Model 2070L Controller for Qualified Products List (QPL) testing and evaluation.

We have completed our review of both units (serial number 015809 and 012995) and the manuals, and have found your units compliant to our specifications and requirements.

Congratulations!

We would like to retain the Model 2070L Controllers so we may use them for comparison on future contracts you may receive for the State. If you have any questions I can be reached at (916) 654-4385.

Again Congratulations!

Sincerely,

Robert McMillan
170/2070 Controller
Program Coordinator
